

TW-6 Student / IUT Critiques

TW-6 Critiques

Please take some time to provide your constructive comments to the following critiques. The feedback that you provide will be routed to the appropriate departments within your command and TRAWING SIX. There is no requirement to place your name on any of these critiques. However, some comments may require a command representative to contact you to fully address a concern. If you are willing to accept any necessary follow-up, a name will be necessary.
